# Rules and Regulations

LearnTech is an admission booking aggregator platform.

LearnTech provides only booking assistance to the pupil, further procedure should be done by the students by their own.

LearnTech acts to be an aid for the students to fetch reputed college offering courses in which the students are keen about and help them to register themselves in the campus with a hassle-free procedure.

There are certain eligibility criteria put forth by the accademic institutions, if a particular student does not match the above mensioned eligibility criteria then the campus authorities can reject the admission form on immediate basis.

There will be a booking fee levied on the student in order to book his/her seat in the college opted by the pupil.

Booking fee is **NON REFUNDABLE**.
